L&M DESIGN LLC DESIGNS AWARD-WINNING APARTMENTS

L&M DESIGN LLC of Radnor, PA is pleased to announce that the firm's design for Millview Apartments in Coatesville, Pennsylvania, has received a multitude of awards from the APARTMENT ASSOCIATION OF GREATER PHILADELPHIA, Best in Apartment Living. The community is a 2005 Winner of Curb Appeal Excellence, Leasing Excellence, Maintenance Excellence, and Overall Community Excellence.

Millview, a 350-unit resort-style apartment community, developed by Chetty Builders, was designed primarily for young professionals and is located on a hillside with breath-taking views of a town undergoing revitalization. The thirteen three-story-plus-terrace-level buildings accommodate the sloping site and house one- and two bedroom dwellings. Gourmet kitchens, a breakfast bar, spacious 9' ceilings and oversized walk-in closets are standard features in each apartment.

The elegantly decorated 3,600 square foot clubhouse features coffered ceilings, a granite fireplace and floor to ceiling windows. A Victorian style balcony overlooks the spectacular resort-style pool designed with large flowing fountains.

L&M DESIGN LLC provides architecture, planning and urban design services to developers throughout the East Coast and the Midwest. The firm's work includes master planning and architecture for large-scale mixed-use condominium and rental communities, brownfield redevelopments, commercial retail centers, and high-density infill properties.
