**L&M DESIGN LLC HONORED WITH PRESTIGIOUS
2005 BEST OF SENIORS HOUSING AWARD**

RADNOR, PA. L&M DESIGN LLC was recognized as among the “best of the best” in the seniors housing industry with a Silver Award by the National Association of Home Builders (NAHB). The award was presented during the 2005 Best of Seniors Housing Awards ceremony held January 13, in conjunction with the International Builders’ Show in Orlando, Florida.

The award was presented to L&M DESIGN for the Jefferson Unit at Liberty at Newtown, an active adult community in Newtown, Connecticut, developed by Ginsburg Development of Hawthorne, NY. According to Laura Staines Giardino, principal of the firm, the floor plan was designed for a person or couple who may be downsizing but still wants space, style, luxury...and a two-car garage. A library and a spacious great room, as well as “spa-style” master baths in each bedroom complement the ample 2300 square foot plan.

L&M DESIGN LLC provides architecture, planning and urban design services to developers throughout the East Coast and the Midwest. The firm’s work focuses upon master planning and architecture for large-scale residential and mixed-use communities, senior housing; brownfield redevelopments and commercial retail centers.
